

## DISTRIBUTION OF PRINTED PROCEEDINGS TO THE MEMBERS.

Mr. SPEAKER.—In Legislature Secretariat Circular No. 37 dated 16th July 1966 Hon'ble members of the Assembly were informed that the printed proceedings of the Legislative Assembly were ready for distribution and that they may kindly collect copies from the Notice Office. So far only 80 members have received. I have got their names. If the other members have not found it convenient to collect them from the Notice Office, I can have arrangements made to deliver them either at the Legislators' Home or General Hostel or Sudarshan Guest House. If members so desire, they can send a note and it will be attended to. I am suggesting this because proceedings till the last sittings 9th April 1966 have all been printed.

Sri S. S. KOLKEBAIL (Coondapoor).—It would be convenient if it is a bound volume.

Mr. SPEAKER.—Members must come and tell me their difficulty. I will see whether it could be done.

---

### Member's Representation

Sri C. J. MUCKANNAPPA (Sira).—Sir, may I take it for granted that the privilege motion sent by me about 4 days ago has been rejected since the member has come and expressed his regret?

Mr. SPEAKER.—After he has apologised, it does not arise. The Hon'ble Member may kindly take it like that. I have not even admitted it. I have got it, but in the meanwhile certain things have happened and he has come and apologised and so I do not think any further action is necessary. I have not admitted the motion.

---

## SUPPLEMENTARY AND ADDITIONAL DEMANDS FOR GRANTS FOR 1966-67.

### (General Discussion.)

Sri RAMAKRISHNA HEGDE (Finance Minister).—Sir, I beg to move :

“That a further sum not exceeding Rs. 3,20,100 be granted to the Government to defray the charges which will come in course of payment during the financial year for the period ending 31st March 1967 in respect of ‘General Administration’.”

Mr. SPEAKER.—Motion moved :

“That on the recommendation of the Governor a further sum not exceeding Rs. 3,20,100 be granted to Government to defray
